Agenda

- Davis Hollow Boat Owner Society (DHBOS)
 - Sean opened a discussion to understand LASC members opinion of the newly formed Davis Hollow Boat Owners Society
 - Are we missing an opportunity to attract new members?
 - DHBAS is an ad hoc social organization (not a sanctioned club requiring insurance)
 - Strong feelings from some members, but no harm in joining their events (if you are comfortable during the pandemic) to try and engage new members for 2021).

- WiFi
 - Discussed options to get WiFi at the marina
 - Moraine Sailing Club is also looking into this (Can we partner with them to share cost?)
 - Is this a possible fundraising opportunity?
 - Option to purchase the password as part of LASC membership
 - Brick Fundraiser fund brought up as a possible funding source but determined that those funds are earmarked for pavilion upkeep
 - Interest was expressed to get sun shade extenders for the pavilion
 - More fact finding and discussion required

- Awards
 - Sailor of the Year (Nominees)
 - Shawn Stull
 - Dave McDonald (winner)
 - Chuck Pease
